Column of October 19, 1965.

Through infiltration, Jews are the heads of every Secret Society to plot the destruction of America and of all Christendom through interminable wars.

But existing society has chosen to persecute this race which should furnish its choice allies, and what have been the consequences?

They may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition and aristocracy, against religion and property. Destruction of the Semitic principle, extirpation of the Jewish religion, whether in the Mosaic or in the Christian form, the natural equality of man, and the abrogation of property, are proclaimed by the secret societies who form provisional governments, and men of Jewish race are found at the head of every one of them. The people of God cooperate

with atheists; the most skilful accumulators of property ally themselves with communists; the peculiar and chosen race touch the hand of all the scum and low castes of Europe! And all this because they wish to destroy that ungrateful Christendom which owes to them even its name, and whose tyranny they can no longer endure.

And yet today, these lepers, after the negro, are lowest in the scale of all the races. It is because their blood is so heavily blended with that of the negro.

WORLD UNREST.

A Jewish Manifesto of 1860.

A correspondent writing in reference to the hidden peril draws attention to a manifesto issued in 1860 to the "Jews of the Universe," by Adolphe Cremieux, the founder of the Alliance Israélite Universelle, and the well-known member of the Provisional Government of 1871. Adolphe Cremieux, while Grand Master of the French Masonic Lodges, offered 1,000,000 francs for the head of William I. of Germany. On his tomb he bequeathed the following sole inscription to be inscribed:

"Here lies Adolphe Cremieux, the founder of the Alliance Israélite Universelle."

MANIFESTO.

EMBLEM: On top—the tablets of Moses, a little lower—two extended hands clasping each other, and as basis of the whole—the globe of the earth.

MOTTO: "All Jews for one, and one for all."

— The Union which we desire to found will not be a French, English, Irish, or German union, but a Jewish one, an Universal one.

Other peoples and races are divided into nationalities; we alone have not co-citizens, but exclusively co-religionaries.

A Jew will under no circumstances become the friend of a Christian or a Moslem before the moment arrives when the light of the Jewish Faith, the only religion of reason, will shine all over the world.

Scattered amongst other nations, who from time immemorial were hostile to our rights and interests, we desire primarily to be and to remain immutably Jews.

Our nationality is the religion of our fathers, and we recognise no other nationality.

We are living in foreign lands, and cannot trouble about the mutable ambitions of countries entirely alien to us, while our own moral and material problems are endangered.

The Jewish teaching must cover the whole earth. Israelites! No matter where fate should lead—though scattered all over the earth, you must always consider yourselves members of a Chosen Race.

If you realise that the Faith of your forefathers is your only patriotism,—
— if you recognise that, notwithstanding the nationalities you have embraced, you always remain and everywhere form one and only nation,—
— if you believe that Jewry only is the one and only religious and political truth,—
— if you are convinced of this, you, Israelites of the Universe—

— then come and give ear to our appeal and prove to us your consent!

Our cause is great and holy, and its success is guaranteed. Catholicism, our immemorial enemy, is lying in the dust, mortally wounded in the head.

The net which Israel is throwing over the globe of the earth is widening and spreading daily, and the momentous prophecies of our holy books are at last to be realised.

The time is near when Jerusalem will become the house of prayer for all nations and peoples, and the banner of Jewish monotheism will be unfurled and hoisted on the most distant shores.

Let us avail ourselves of all circumstances. Our might is immense—learn to adopt this might for our cause.

What have you to be afraid of?

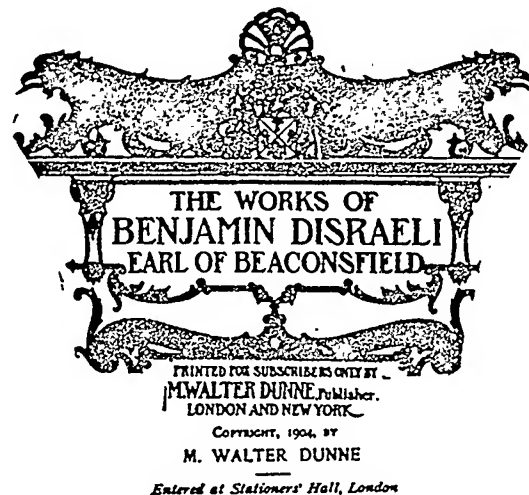

The day is not distant when all the riches and treasures of the earth will become the property of the Children of Israel.

PETER THE GREAT

Russian Emperor, born June 9, 1672, died February 6, 1725:

"I prefer to see in my land Mohammedans and heathen rather than the Jews. The latter are crooks and swindlers. The Jews would get no permission to settle and do business. Despite of my orders they are trying to do it and are bribing my officials for the purpose of becoming readmitted."

126 BENJAMIN DISRAELI

We have shown that the theological prejudice against the Jews has no foundation, historical or doctrinal; we have shown that the social prejudice, originating in the theological but sustained by superficial observations, irrespective of religious prejudice, is still more unjust, and that no existing race is so much entitled to the esteem and gratitude of society as the Hebrew. It remains for us to notice the injurious consequences to European society of the course pursued by the communities to this race; and this view of the subject leads us to considerations which it would become existing statesmen to ponder.

The following words from the Bible prove both theological and doctrinal prejudice against Jews. These words of St. Paul (k. 6:AD) to the Thessalonians are further confirmed by Josephus (37-100AD) the JEWISH historian.

Thessalonians 2 - 14, 15:

For ye also have suffered like things of your own countrymen even as they have of Jews, who both killed the Lord Jesus and their own prophets, and they please not God and are contrary to all men.

St. Matthew 21 - 31, 32:

Jesus in Jerusalem to the scribes and pharisees of the synagogue:

Verily I say unto you that the publicans and the harlots go into the Kingdom of God before you. For John came unto you in the way of righteousness and ye believed him not; but the publicans and the harlots believed him; and ye when seen it, repented not afterward, that ye might believe him.

The world has by this time discovered that it is impossible to destroy the Jews. The attempt to exterminate them has been made under the most favourable auspices and on the largest scale; the most considerable means that man could command have been pertinaciously applied to this object for the longest period of recorded time. Egyptian Pharaohs, Assyrian kings, Roman emperors, Scandinavian crusaders, Gothic princes, and holy inquisitors have alike devoted their energies to the fulfilment of this common purpose. Expatriation, exile, captivity, confiscation, torture on the most ingenious, and massacre on the most extensive, scale, with a curious system of degrading customs and debasing laws which would have broken the heart of any other people, have been tried, and in vain. The Jews, after all this havoc, are probably more numerous at this date than they were during the reign of Solomon the Wise, are found in all lands, and, unfortunately, prospering in most. All of which proves that it is in vain for man to attempt to battle the inexorable law of nature, which has decreed that

BENTINCK BIOGRAPHY 127

a superior race shall never be destroyed or absorbed by an inferior.

A positive declaration that the Jew is a better and greater race than any other on earth.

But the influence of a great race will be felt; its greatness does not depend upon its numbers, otherwise the English would not have vanquished the Chinese, nor would the Aztecs have been overthrown by Cortez and a handful of Goths. That greatness results from its organization, the consequences of which are shown in its energy and enterprise, in the strength of its will and the fertility of its brain. Let us observe what should be the influence of the Jews, and then ascertain how it is exercised. The Jewish race connects the modern populations with the early ages of the world, when the relations of the Creator with the created were more intimate than in these days, when angels visited the earth, and God himself even spoke with man. The Jews represent the Semitic principle; all that is spiritual in our nature. They are the trustees of tradition and the conservators of the religious element. They are a living and the most striking evidence of the falsity of that pernicious doctrine of modern times—the natural equality of man. The political equality of a particular race is a matter of municipal arrangement, and depends entirely on political considerations and circumstances; but, the natural equality of man now in vogue, and taking the form of cosmopolitan fraternity, is a principle which, were it possible to act on it, would deteriorate the great races and destroy all the genius of the world. What would be the consequence on the great Anglo-Saxon republic, for example, were its citizens to secede from their sound principle of reserve, and mingle with their negro and coloured

128 BENJAMIN DISRAELI

populations? In the course of time they would become so deteriorated that their states would probably be reconquered and regained by the aborigines whom they have expelled, and who would then be their superiors. But though nature will never ultimately permit this theory of natural equality to be practised, the preaching of this dogma has already caused much mischief, and may occasion much more. The native tendency of the Jewish race, who are justly proud of their blood, is against the doctrine of the equality of man.

When and where did the Jews of the 20th century change their minds and their conspiracy?

Dear Subscribers and Friends:

We ask you to send a copy of this recording about looting, raping, plundering Negroes to the local Police Chiefs or Sheriffs in your vicinity. Let these good men know that you are behind honest law enforcement 100% - and that you despise, as they do, any kind of "passive resistance" violence that wrecks your town, it's business, and endangers the safety of it's white citizens.

We will mail two copies of your selection to any Chief or Sheriff for \$5.00 postpaid. We will mail five copies for \$12.00. Cover every town in your area, so that the Chiefs may play the records to their men. You need not give your name or theirs. The record addressed to Chief Of Police, (town) and (state) will be sufficient.

Believe us, these men will be heartened to learn that their fellow-townsmen are behind them. A very nice letter to them will accompany each recording, signed "From a law-abiding citizen". It will do a world of good to prevent another Los Angeles.

Sincere thanks,

Wally /

SUBJECT: OPEN ANSWER TO SMEAR OF DREW PEARSON - COLUMN OF OCTOBER 19th 1965

As most of you know, I have been attacked by a character of dubious manhood, by a bedroom scribbler at keyholes and a strictly amateur broadcaster - one Drew Pearson. Were his statements the barbs of a rival political reporter, or the spiteful mouthings of an announcer jealous of my voice and delivery, I would ignore them.

But when this hack blackmailer is a paid agent of our country's Communist enemies, when elected and military leaders have unanimously denounced Pearson as guilty of treason against the United States, it is to plant a shoe in the ribs of such a yellow cur, that we answer. Drew Pearson was in Swarthmore College when I attended Swarthmore H. S. His father was Professor of Public Speaking at College and Director of a Chautauqua which failed, to the sorrow of a local bank.

During World War I, Drew was a conscientious objector - in those days it was called slacker. He quickly joined Quaker Meeting, the Student Training Corps and Swarthmore Home Guard. Quakers were willing to fight Kaiser Bill when the Germans reached here. You all know that the American Friends Service of these Quakers has been branded by a woman agent of the FBI, an adjunct to the Communist Party. What a pity, when we were so proud of that fighting Quaker, General Smedley Butler of the Marines, and of his Dad, Cong. Thomas Butler, for years Chairman of the Naval Affairs Committee of the House.

I joined NBC in 1929, never having seen a microphone, but having studied opera with Pasquale Amato, the great baritone who sang with Caruso many years at the "Met". In 1932, I was Chief Announcer of the Republican and Democratic Conventions in Chicago. After Roosevelt had won the election, I later learned he had appointed Old Man Pearson as Governor of the Virgin Islands - a swell job for a Quaker, for they love negroes and the Islands are 90% black. I learned, too, that Drew had married the daughter of Cissie Patterson in Washington. She was Eleanor McMill, of the fabulously wealthy clan, owners of the Chicago Tribune and the New York Daily News. She had loaned Old Man Hearst a cool million, and took over the paper when Hearst couldn't make it go. But Cissie made it go and became Editor. She gave her son-in-law Drew Pearson a job - but not for long. Cissie kicked him out and her daughter kicked him out too. Here are her words: "Pearson was a slacker - a phony Quaker who thee'd and thou'd his way out of service in World War I. How can any normal-minded person print his filthy work of plotting, planning, sneaking, lying, stealing and smearing in the mere hope of one day overthrowing our American form of government? For that's what it amounts to".

Washington Times Herald

We now print an editorial from the San Francisco Leader of Mar. 4th, 1950. Drew the Jew was paid to smear and defeat a fine Calif. politician by rival crooks. Quote: "The intrusion of Drew Pearson in Calif. politics is a matter which should excite the active interest of every citizen of this State. Notwithstanding the fact that Pearson is a bad American, he commands the attention of a great many people. The power and prominence of this mendacious scoundrel is due to the American radio and press, which seems to have no Americanism. In 1922, thanks to an idiotic and infamous bargain, the U. S. scrapped the great fleet of battleships that made us rulers of the waves. Still the British were not satisfied and the Geneva Conference was arranged to deprive us of the cruisers we had left. President Coolidge was wise enough to send Admirals to advise the civilian Commissioners against alien attempts to destroy our navy altogether. (Slacker Pearson was there as correspondent) Pearson had the gall to write from Geneva denouncing the American Admirals for doing their duty. Those despatches appeared in a Baltimore journal.

But we learned that Pearson was in the pay of two Japanese journals, and Japan was linked with England to attempt to sink our fleet. In plain words, he was a traitor and was getting his 30 pieces of silver from the Japs. He has been a traitor ever since and his natural sympathy for traitors was manifested by the fact that he had nothing to say about the Alger Hiss case. unquote (This traitor Hiss was chief architect of the Communist UN Charter.)

This, dear friends, is the traitor skunk who dares to say that I drink too much. In 30 years of broadcasting, I have never failed to complete a contract, until 3 years ago, when Jews in the traitor John Birch Society had me thrown off the air in Alabama.

This action had the approval of that paid-off Robert Welch, whose whole outfit is in with the British Israel movement, jew-owned and controlled. The JBS prime program is to prevent all 3rd Party action. I have a copy of his speech so-declaring. How many millions did he lead down a rosy path and render fine, intelligent people dormant with the arch-phony Episcopalian-jew Barry Morris Goldwater? Welch and his gang stab as many Patriots in the back as Pearson. Two other people, one a woman, pulled a Pearson stunt two years ago. They were and are both British Israel. I was cancelled out in Decatur, Georgia for exposing Ralph "Rastus" McGill of the Bilderberger International coll of the banker owned Council On Foreign Relations, which has bankrupted America.

In 30 years of broadcasting, I missed exactly 3 programs. Two were results of flu bugs, with fever. One I thought had been cancelled after only 2 weeks as announcer. In those days, we often had 20 programs per day. I defy any broadcaster or teetotaler to match that record. Sure I made the nite club circuit, as did nearly every other person in radio, until I got fed up with nite clubs. But I travelled under my own steam at all times. The man or woman doesn't live who ever saw or smelled me intoxicated in front of a microphone. I was too proud of my work and my profession. So devoted was I to my public service, I broadcast Vox Pop, radio's first Quiz show, the night after my father died, and then rushed home to my family and his funeral. But when Network Program Mgrs. started stealing programs, selling them as their own, I knew I had had enough of that industry. Crook Pearson might investigate College Bowl Quiz, which I tested in Philadelphia before taking it to it's present "owners" - still on for General Electric.

How's this for treason? In 1950 Pearson's column contained accurate numbers and distribution of all the men in General Douglas MacArthur's Korean army. He gave also strength and location of auxiliary forces, both air and navy., as well, taken from Top Secret files in the Pentagon by a fellow traitor. Chinese Communist and Korean action as a result have been estimated to cost up to 50,000 casualties of American boys. The rat even accused MacArthur of sending false Information to the Pentagon. The great General really told him off. It is reported that J. Edgar Hoover was ordered to call-off the investigation by superiors in the Dep't of Justice. The Russian Embassy here cabled Pearson's column in full to Moscow. How much did Pearson get? We'll never know. We only know there is no statute of limitations on treason, and this villain has been hangmans meat for many years. Here are a few opinions about this "ham" scribbler:-

ADMIRAL WILLIAM F. HALSEY "Pearson is a blackguard, who, by insinuation and outright lies, tried to destroy public confidence in the Navy's Air Arm. The scoundrel didn't even have the guts to take a plane ride with the man he said got his wings by fraud".

PRESIDENT ROOSEVELT "Pearson is a chronic liar".

President Truman "No s.o.b. like Pearson is going to prevail on me to discharge anyone by some smart-aleck statement on the air".

President Eisenhower "Pearson told a falsehood when he said 3 businessmen had contributed \$500,000.00 to pay for improvements and operation of my farm at Gettysburg, Pa!"

SENATOR Wm. JENNER - Ind. "I have had the dubious honor of being attacked by America's #1 keyhole peeping, muckraking, character assassinating, propaganda peddling prostitute of the nation's press - Pee-u Pearson. He is not a s.o.b. He is only the filthy brain-child, conceived in ruthlessness and dedicated to the proposition that Judas Iscariot was a piker".

SENATOR KERR - OKLA. "And then there is Drew Pearson.. No wonder the ABC Network puts Airwick, a powerful deodorant, on the air 15-min. after Pearson gets through. They ought to put it on for an hour".

SEN. SMATHERS - FLA. "I hereby join 3 Presidents, 27 Senators and 83 Congressmen in describing Pearson as an unmitigated liar and blackguard"..

REP. ANDERSEN - MINN: "I feel sorry for Pearson. He is beyond the pale of decent society. he has developed an insane hatred for decent men and women, with whom he cannot associate. He is a polecat and a disgrace to the newspaper profession".

WESTBROOK PEGLER "Pearson schemed the destruction of Sec'y Forrestal by a long scheme of violent scurrilous lies, concocted from the venom and pathological virulence of his putrid imaginings". (Good old Peg! He's back again, writing in the Councilor, in spite of the jews.- brave, truthful and Patriotic as ever)

We could go on forever, but what's the use? Sen. Joseph R. McCarthy fixed his wagon, when Pearson, half-liquored up followed the Senator to the men's room with his jibes. Tough Marine Joe, who had boxed as a Marine invited our hero to put up his dukes. When the slacker refused, Jos slapped him with an open hand and knocked him 20 feet across the floor. Sen. Richard Nixon helped gather up the pieces. The way the beloved Pearson's "fellow news gatherers" wrote that one up, you'd have thought Sen McCarthy had K.O.'d Jack Dempsey, and Gene Tunney in the same night.

Being interested in genealogy, I often think "taht if all the world's great figures who have called Pearson and all his family nemes that reflect on his parentage, we could not find one legitimate birth among the Pearsons for about 3500 generations. That is several hundred generations before Adam and Eve".

This reporter did indeed make a recording for the Klan, at the time the jews staged the riots in Lob's Restaurant in Atlanta, supported by those two scoundrels, Rastus McGill and Governor Carl Sanders. We interviewed the employees and the owner. We told the truth, or rather they did, about niggers urinating in coffee pots and trays of silverware smeared with excrement. Say what you please, the Klan prevented the American people from becoming mulatto, and that includes Congressional Investigating Committees.

Personally we would like to see Drew Pearson's column transferred to the front page of every newspaper which carries it. That would be tantamount to a signed statement by every publisher - mostly jews - as follows:- "This newspaper, like Drew Pearson, believes in falsehood, smear and that low form of Journalism that will destroy America. This newspaper hails treason and riots as a means of accomplishing these things. By all means read our newspaper and patronize out jewish advertisers. Then you will be doing your part to place America in the ranks of Communism". Or do you think that most real Americans would prefer to read about Pearson in the obit columns?

Let's keep fighting and win this war for our country,

Wally Butterworth

Re Atlanta tel 10/20/63.

At 9PM, 10/20/63 the writer telephonically contacted CHIEF WALTER SYDNOR, Nether Providence Twp., P. D., at his home and furnished him information as contained in retel concerning the BUTTERWORTHS who reside on Providence Rd., Wallingford, Pa.

On 10/24/63 CHIEF SYDNOR advised that as a result of very discreet inquiry he had determined that the BUTTER* WORTH residence has had only one resident during the past several weeks, this being a sister of WALLACE BUTTERWORTH, who is very crippled. Chief SYDNOR does not know this sister's first name but recalled that several years ago his department was called to their home to assist in moving this person to the first floor of that home. To his knowledge she continues to stay on the first floor since she is unable to go up or down on the steps.

Chief SYDNOR said WALLACE BUTTERWORTH has not been seen in this area for some time and is regarded as living permanently in New York City. His sister, OLGA, does live in the family home. She is in her 70s, possibly close to 80; her permanent residence is on Providence Rd.

Chief SYDNOR stated he would immediately advise the writer should he ascertain any information about the BUTTERWORTHS bearing on captioned matter.

It is noted the BUTTERWORTH residence is located at 207 N. Providence Rd., Wallingford, Pa.

Re Mobile airtel dated 3/23/65.

The following investigation was conducted by SA
THOMAS F. LEWIS:

On 3/30/65, Chief WILLIAM SYDNOR, Nether Providence Township Police Department, Wallingford, Pa., advised to his knowledge subject has not lived in Wallingford for many years. He noted the possibility subject might have visited his sisters' home during this period but he is certain subject has not stayed there for any extended period of time since that department is located near the BUTTERWORTH residence and he is able to observe the activities there rather closely.

He said the only persons living at the BUTTERWORTH residence at 207 North Providence Road are sisters of the subject, OLGA, JANE and ELSIE, all single and quite elderly.

Chief SYDNOR recalled last summer (1964) he received a letter from [redacted] in Canada, requesting that he, Chief SYDNOR, furnish her with two copies of a statement attesting to the fact that while she resided in that community from 1948 to 1950 that she had no police record.

Chief SYDNOR said he did not answer or retain this letter but furnished it to Secret Service, Philadelphia, Pa., since that agency had then recently contacted him regarding the whereabouts of the BUTTERWORTH family relative to a visit by President JOHNSON in nearby Swarthmore, Pa., during the early part of June 1964.

[redacted] to the BUTTERWORTH residence, advised he has been acquainted as neighbors with the BUTTERWORTH family since about 1919. He said he has never been close to this family; however, since both are old-time residents of that area, he was aware of some of their activities.

b6
b7C

[redacted] said the only residents of the BUTTERWORTH home on Providence Road during the past several years have been sisters of the subject. They are OLGA, a nurse who had been employed some years ago at UGI, Philadelphia, Pa., and who is now retired; JANE, an invalid who has never been employed to [redacted] knowledge; ELSIE, now retired, who formerly operated a gift shop at Cape May, N. J.

[redacted] said he has not seen subject for at least one and one-half to two years and at the time he was driving a 1956 Ford station wagon, bearing a license plate from a Southern state.

b6
b7C

[redacted] recalled that subject had attended the old Wallingford Elementary School which was demolished by fire in 1940. He said no records were recovered from this fire and hence any record of the subject's attendance there would have been lost.

[redacted] is of the opinion subject was too young for military service in World War I and too old for service in World War II, and never had any military service at any other time. He recalled, however, that subject's father, first name not recalled, was the Postmaster at the Wallingford Post Office for several years during the late 1920's and probably up to 1932. He has been deceased for many years.

b6
b7C

[redacted] stated subject was married sometime during the 1930's but only lived with his wife for several years at his family home in Wallingford. His wife was not originally from this area, and [redacted] has the very vague recollection that [redacted] and that subject met and married her while he was a radio announcer in New York City. [redacted] believes subject is now divorced and that he may have obtained this divorce in Delaware County, Pa.

On 3/30/65, [] clerk, Marriage Records Bureau, Delaware County Courthouse, Media, Pa., advised a thorough search of the records of that office failed to reveal any record of marriage license issued in Delaware County to WALLACE BUTTERWORTH.

On 3/30/65, [] clerk, Prothonotary's Office, Delaware County Courthouse, Media, Pa., advised the divorce records of that office failed to reveal any divorce action involving anyone by the name of WALLACE BUTTERWORTH.

On 3/30/65, SE [] reviewed the records of the Immigration and Naturalization Service (INS), Philadelphia, Pa. These records contained only one listing under the name BUTTERWORTH, this being an ELSIE MAY BUTTERWORTH, #A 13,416,249, born 9/24/12 at Hebden Bridge, Yorkshire, England. This individual was admitted to the United States at Boston, Mass., on 2/11/64 to be employed for a period of one year as a cook and housekeeper by []

From the above information, this individual does not appear to be identical to [] or any of his close relatives, all of whom undoubtedly had been in the United States prior to 2/11/64.

On 4/9/65, the U. S. Secret Service, Philadelphia, Pa., by letter made available a copy of the letter received by the Nether Providence Township Police Department reportedly from [].

This letter from [] is dated 6/2/64 and bears the postmark 6/3/64, Kenosha, Wisconsin. This letter stated in part: "In order for me to re-establish non-quota immigration status for permanent residence in the United States as a Canadian citizen," it is necessary to obtain the statements attesting to the fact that she had never been arrested while living at Wallingford, Pa., from 1948 to 1950.

He said he is in agreement with the ideological views of the John Birch Society, National States Rights Party, American Nazi Party, and White Citizens Councils, etc., because these organizations are based on the precepts of freedom of the individual and they are not willing to make any compromise whatsoever with Communism. He said that war with the Communists is the only alternative to "crawling to Moscow on our belly," after citing the Berlin Wall, CASTRO and Cuba, shooting down of American fliers by the Soviets, etc. He stated it was his opinion that widespread violence and bloodshed will erupt in the United States as the pro-civil rights groups continue to press for civil rights. He said the civil rights drive in the United States is plainly Communist-inspired and directed to drive a wedge between the various groups of American people to make it simple for the Communists to take over the United States.

Characterizations of the National States Rights Party and the American Nazi Party are attached.

When pressed for specifics as to any information he had regarding Communist leadership of the civil rights movement, [] cited writings of the John Birch Society, National States Rights Party, and "many others."

b6

b7C

[] declined to discuss or identify any individuals with whom he is in contact and agree with him ideologically.

b6

b7C

[], was interviewed on March 23, 1964, and he stated at the outset of the interview he did not mind being interviewed, but he wanted to make several things clear. He stated he is a so-called rightist and subscribes to many newspapers, pamphlets, periodicals and bulletins which give the true picture of the loss of prestige and power of the United States over against the lack of information furnished by the leftist-duped press and news media that the general public of the United States is exposed to. [] in a long, impassioned diatribe, criticized the foreign and domestic policy of the United States from roughly the post World War II era through the present time, saying that we were no longer following the Constitution that was written by our forefathers. He insisted the Executive

NATIONAL KNIGHTS OF
THE KU KLUX KLAN

and Legislative Branches of the United States Government are completely unaware of and unresponsive to the extreme danger of this country being "taken over" by the Soviet Communists.

After discussing specific United States foreign policy views, such as selling wheat to Russia, trading with Yugoslavia, United States participation in the United Nations, and supporting of the United Nations policy in the Belgian Congo, etc., he attempted to obtain the interviewing agents' opinion as to these actions. He was advised interviewing agents declined to comment on foreign policy, whereupon [] pointed out that it was the duty of each individual citizen to be aware of the dangers of the Communist takeover and that, unless the private citizen reads the publications he [] reads, the citizen is absolutely unaware of the Communist conspiracy. b6 b7C

[] commented, however, that the last bastion of true Americanism in the United States which he still trusts is FBI Director J. EDGAR HOOVER and his organization.

When [] was asked directly whether or not he was a member of the Minutemen, he said he was not; however, he was aware of the aims and goals of the organization. He said the Minutemen expect the Communists to "take over" the United States at any time and when they do the Minutemen will be "fighting in the streets" to defend the American way of life. They consider themselves to be similar to the freedom fighters of Hungary who participated in the 1956 abortive revolution. He said this "take over" of the United States by the Communists is being facilitated at the present time by the United States handing over sovereignty of the United States to the United Nations which, in turn, is completely dominated, controlled and administered by the Soviet Union and its satellites.

b6
b7C

[] explained that the purpose of the Minutemen is different from that of the defected Black Muslim MALCOLM X and his group, because MALCOLM X's group is interested in action now against the white citizens of the United States. [] pointed out that the Minutemen contemplate armed action only when the Communists' "take over" in the United States occurs and he has no doubt in his mind as to the sincerity

NATIONAL KNIGHTS OF
THE KU KLUX KLAN

and principle of the people involved in Minutemen and that they would, under no circumstances, make an attempt to take over the United States Government by force and violence, because this is not the American way. The Minutemen want to save the United States from Communism.

Confidential Informant PH T-2 on February 5, 1964, advised that MALCOLM LITTLE, known in the Nation of Islam (NOI) as MALCOLM X, is Minister of Muhammad's Mosque #7, New York City, who in the past has travelled throughout the United States as a spokesman for ELIJAH MUHAMMAD, head of the NOI. After the death of President KENNEDY, MALCOLM X made derogatory statements against President KENNEDY. As a result of these statements, ELIJAH MUHAMMAD ordered MALCOLM X not to make any statements or speaking commitments as a representative of the NOI.

A characterization of the NOI is attached.

When asked more specific questions about the Minutemen, or in attempting to obtain names of individuals involved in the movement, or others with whom he associated, [] turned the direct question aside and restated his opinions and expounded at length on Cuba, the United Nations, duped America, the leftist press, etc., without being responsive to the questions.

During a business contact, [] said the conversation of [] turned to politics and he told [] he was a rightist. AMERICAN NAZI PARTY OF THE WORLD UNION
OF FREE ENTERPRISE NATIONAL SOCIALISTS,
aka. THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leaders," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963 a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 31, 1963 this source advised that in about September 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the Swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963 [redacted]

[redacted] FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP, although until December 1962, it received all its literature from George Lincoln Rockwell's ANP.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "that attainment of power through the votes of the newly-won masses."

NATION OF ISLAM

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On July 10, 1963, a second source advised Elijah Muhammad is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. Muhammad claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following Muhammad's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised Muhammad had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On July 10, 1963, a third source advised Muhammad had early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him acquire additional followers and create more interest in his programs.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently-held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July 1958 issue of "The Thunderbolt," self-described as the "official racial nationalist organ of the National States Rights Party," reported that rank and file "State Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June 1960, of "The Thunderbolt" announced the address of the Headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

The first source and a second source advised in July 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan, Inc., forming United Klans of America, Inc., Knights of the Ku Klux Klan. The merged organizations established headquarters in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

Characterizations of Organizations

UNITED KLANS OF AMERICA, INCORPORATED KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

The first source and a second source advised in July 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, the Alston Building, Tuscaloosa, Alabama. The organization is directed by Robert Shelton, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Marple Man Denies Recruiting for Klan

The man who rents Swarthmore Post Office Box 33 says it is not the center of recruiting for the United Klans of America.

Walter W. (Wally) Butterworth, 63, of 912 Jamestown Road, Marple, says he is not an official of the United Klans of America, the group headed by Robert Shelton of North Carolina.

Nationally syndicated columnist Drew Pearson has identified Butterworth as "the public relations man for the United Ku Klux Klan."

Butterworth said flatly the Pearson column is not true.

Butterworth said he is in Delaware County temporarily for medical treatment and he will return shortly to Montgomery, Ala.

Asked if he had any connection

with the United Klans, the free-lance radio announcer said he had once made a recording for the Klan.

"I'm a public announcer. I would make a recording for the Communist Party if they could get up enough millions," he said.

"Of course, I would censor it beforehand."

Butterworth said the Swarthmore post office box is used for his business. He said it was not being used by any organization. Swarthmore postal officials would not comment.

BUTTERWORTH's credentials in the field of radio and TV were of the highest. He was in the top notch of his profession as an announcer.

BUTTERWORTH worked in New York and Chicago and covered several national conventions.

Since BUTTERWORTH has involved a sponsor in a suit, an unforgiveable crime in his industry, he was finished in the big time of radio and TV.

BUTTERWORTH became a very heavy drinker. He, in [] opinion, drifted into public relations work with the KKKK to get back in his field. In the south he lived and worked with JAMES VENERABLE (KKKK) for expense money.

BUTTERWORTH has been at WVXR, Media, at least once to cut records. His late 1950's cream-colored car still has Alabama plates.

BUTTERWORTH puts out a newsletter entitled, "WALLY BUTTERWORTH, P.O. Box 33, Swarthmore, Pa." a copy of which is attached.

TO: ALL SUBSCRIBERS AND FRIENDS

SUBJECT: OPEN ANSWER TO SMEAR OF DREW PEARSON - COLUMN OF OCTOBER 19th 1965

As most of you know, I have been attacked by a character of dubious manhood, by a bedroom scribbler at keyholes and a strictly amateur broadcaster - one Drew Pearson. Were his statements the barbs of a rival political reporter, or the spiteful mouthings of an announcer jealous of my voice and delivery, I would ignore them.

But when this hack blackmailer is a paid agent of our country's Communist enemies, when elected and military leaders have unanimously denounced Pearson as guilty of treason against the United States, it is to plant a shoe in the ribs of such a yellow cur, that we answer. Drew Pearson was in Swarthmore College when I attended Swarthmore H. S. His father was Professor of Public Speaking at College and Director of a Chautauqua which failed, to the sorrow of a local bank.

During World War I, Drew was a conscientious objector - in those days it was called slacker. He quickly joined Quaker Meeting, the Student Training Corps and Swarthmore Home Guard. Quakers were willing to fight Kaiser Bill when the Germans reached here. You all know that the American Friends Service of those Quakers has been branded by a woman agent of the FBI, an adjunct to the Communist Party. What a pity, when we were so proud of that fighting Quaker, General Smedley Butler of the Marines, and of his Dad, Cong. Thomas Butler, for years Chairman of the Naval Affairs Committee of the House.

I joined NBC in 1929, never having seen a microphone, but having studied opera with Pasquale Amato, the great baritone who sang with Caruso many years at the "Met". In 1932, I was Chief Announcer of the Republican and Democratic Conventions in Chicago. After Roosevelt had won the election, I later learned he had appointed Old Man Pearson as Governor of the Virgin Islands - a swell job for a Quaker, for they love negroes and the Islands are 90% black. I learned, too, that Drew had married the daughter of Cissie Patterson in Washington. She was Eleanor Medill, of the fabulously wealthy clan, owners of the Chicago Tribune and the New York Daily News. She had loaned Old Man Hearst a cool million, and took over the paper when Hearst couldn't make it go. But Cissie made it go and became Editor. She gave her son-in-law Drew Pearson a job - but not for long. Cissie kicked him out and her daughter kicked him out too. Here are her words: "Pearson was a slacker - a phony Quaker who thee'd and thou'd his way out of service in World War I. How can any normal-minded person print his filthy work of plotting, planning, sneaking, lying, stealing and smearing in the mere hope of one day overthrowing our American form of government? For that's what it amounts to".

We now print an editorial from the San Francisco Leader of Mar. 4th, 1950. Drew the Jew was paid to smear and defeat a fine Calif. politician by rival crooks. Quote: "The intrusion of Drew Pearson in Calif. politics is a matter which should excite the active interest of every citizen of this State. Notwithstanding the fact that Pearson is a bad American, he commands the attention of a great many people. The power and prominence of this mendacious scoundrel is due to the American radio and press, which seems to have no Americanism. In 1922, thanks to an idiotic and infamous bargain, the U. S. scrapped the great fleet of battleships that made us rulers of the waves. Still the British were not satisfied and the Geneva Conference was arranged to deprive us of the cruisers we had left. President Coolidge was wise enough to send Admirals to advise the civilian Commissioners against alien attempts to destroy our navy altogether. (Slacker Pearson was there as correspondent) Pearson had the gall to write from Geneva denouncing the American Admirals for doing their duty. Those despatches appeared in a Baltimore journal.

But we learned that Pearson was in the pay of two Japanese journals, and Japan was linked with England to attempt to sink our fleet. In plain words, he was a traitor and was getting his 30 pieces of silver from the Japs. He has been a traitor ever since and his natural sympathy for traitors was manifested by the fact that he had nothing to say about the Alger Hiss case. unquote (This traitor Hiss was chief architect of the Communist UN Charter.)

This, dear friends, is the traitor skunk who dares to say that I drink too much. In 30 years of broadcasting, I have never failed to complete a contract, until 3 years ago, when jews in the traitor John Birch Society had me thrown off the air in Alabama.

This action had the approval of that paid-off Robert Welch, whose whole outfit is in with the British Israel movement, jew-owned and controlled. The JBS prime program is to prevent all 3rd Party action. I have a copy of his speech so-declaring. How many millions did he lead down a rosy path and render fine, intelligent people dormant with the arch-phony Episcopalian-jew Barry Morris Goldwater? Welch and his gang stab as many Patriots in the back as Pearson. Two other people, one a woman, pulled a Pearson stunt two years ago. They were and are both British Israel. I was cancelled out in Decatur, Georgia for exposing Ralph "Rastus" McGill of the Bilderberger International coll of the banker owned Council On Foreign Relations, which has bankrupted America.

In 30 years of broadcasting, I missed exactly 3 programs. Two were results of flu bugs, with fever. One I thought had been cancelled after only 2 weeks as announcer. In those days, we often had 20 programs per day. I defy any broadcaster or teetotaler to match that record. Sure I made the nite club circuit, as did nearly every other person in radio, until I got fed up with nite clubs. But I travelled under my own steam at all times. The man or woman doesn't live who ever saw or smelled me intoxicated in front of a microphone. I was too proud of my work and my profession. So devoted was I to my public service, I broadcast Vox Pop, radio's first Quiz show, the night after my father died, and then rushed home to my family and his funeral. But when Network Program ligrs. started stealing programs, selling them as their own, I knew I had had enough of that industry. Crook Pearson might investigate College Bowl Quiz, which I tested in Philadelphia before taking it to it's present "owners" - still on for General Electric.

How's this for treason? In 1950 Pearson's column contained accurate numbers and distribution of all the men in General Douglas MacArthur's Korean army. He gave also strength and location of auxiliary forces, both air and navy., as well, taken from Top Secret files in the Pentagon by a fellow traitor. Chinese Communist and Korean action as a result have been estimated to cost up to 50,000 casualties of American boys. The rat even accused MacArthur of sending false information to the Pentagon. The great General really told him off. It is reported that J. Edgar Hoover was ordered to call off the investigation by superiors in the Dep't of Justice. The Russian Embassy here cabled Pearson's column in full to Moscow. How much did Pearson get? We'll never know. We only know there is no statute of limitations on treason, and this villain has been hangmans meat for many years. Here are a few opinions about this "ham" scribbler:-

ADMIRAL WILLIAM F. HALSEY "Pearson is a blackguard, who, by insinuation and outright lies, tried to destroy public confidence in the Navy's Air Arm. The scoundrel didn't even have the guts to take a plane ride with the man he said got his wings by fraud".

PRESIDENT ROOSEVELT "Pearson is a chronic liar".

President Truman "No s.o.b. like Pearson is going to prevail on me to discharge anyone by some smart-aleck statement on the air".

President Eisenhower "Pearson told a falsehood when he said 3 businessmen had contributed \$500,000.00 to pay for improvements and operation of my farm at Gettysburg, Pa!"

SENATOR Wm. JENNINGS - Ind. "I have had the dubious honor of being attacked by America's flyholes peeping, muckraking, character assassinating, propaganda peddling prostitute of the nation's press - Pee-u Pearson. He is not a s.o.b. He is only the filthy brain-child, conceived in ruthlessness and dedicated to the proposition that Judas Iscariot was a piker".

SENATOR KERN - OKLA. "And then there is Drew Pearson.. No wonder the ABC Network puts Airwick, a powerful doocrant, on the air 15-min. after Pearson gets through. They ought to put it on for an hour".

SEN. SMATHERS - FLA. "I hereby join 3 Presidents, 27 Senators and 83 Congressmen in describing Pearson as an unmitigated liar and blackguard".

REP. ANDERSEN - MINN: "I feel sorry for Pearson. He is beyond the pale of decent society. he has developed an insane hatred for decent men and women, with whom he cannot associate. He is a polcat and a disgrace to the newspaper profession".

WESTBROOK PEGLER "Pearson schemed the destruction of Sec'y Forrestal by a long scheme of violent scurrilous lies, concocted from the venom and pathological virulence of his putrid imaginings". (Good old Peg! He's back again, writing in the Councilor, in spite of the jews.- brave, truthful and Patriotic as over)

We could go on forever, but what's the use? Sen. Joseph R. McCarthy fixed his wagon, when Pearson, half-liquored-up followed the Senator to the men's room with his jibes. Tough Marine Joe, who had boxed as a Marine invited our hero to put up his dukes. When the slacker refused, Jos slapped him with an open hand and knocked him 20 feet across the floor. Sen. Richard Nixon helped gather up the pieces. The way the beloved Pearson's "fellow news gatherers" wrote that one up, you'd have thought Sen McCarthy had K.O.'d Jack Dempsey, and Gene Tunney in the same night.

Being interested in genealogy, I often think "taht if all the world's great figures who have called Pearson and all his family nemes that reflect on his parentage, we could not find one legitimate birth among the Pearsons for about 3500 generations. That is several hundred generations before Adam and Eve".

This reporter did indeed make a recording for the Klan, at the time the jows staged the riots in Loh's Restaurant in Atlanta, supported by those two scoundrels, Rastus McGill and Governor Carl Sanders. We interviewed the employees and the owner. We told the truth, or rather they did, about niggers urinating in coffee pots and trays of silverware smeared with excrement. Say what you please, the Klan prevented the American people from becoming mulatto, and that includes Congressional Investigating Committees.

Personally we would like to see Drew Pearson's column transferred to the front page of every newspaper which carries it. That would be tantamount to a signed statement by every publisher - mostly jows - as follows:- "This newspaper, like Drew Pearson, believes in falsehood, smear and that low form of Journalism that will destroy America. This newspaper hails treason and riots as a means of accomplishing these things. By all means read our newspaper and patronize out jewish advertisers. Then you will be doing your part to place America in the ranks of Communism". Or do you think that most real Americans would prefer to read about Pearson in the obit columns?

Let's keep fighting and win this war for our country,

Hally Butterworth

Wallingford's Silver Voice of Radio Tells of Gravitating to Klan

By ROWLAND T. MORIARTY
Of The Bulletin Staff

The quiet, tree-lined community of Wallingford, nestled in the peaceful Rose Valley area of Delaware County, still clings to the bright hues of autumn.

In front of the post office, where Stafford Parker has been in charge for 32 years, women pause to chat. High school boys and girls, on their way home, stop at the drug store. At the neighborhood garage, men and women drive up in their cars much as their parents — and grandparents — did years ago to the livery stable which once stood not far away.

But the air of sleepy contentment is deceptive.

Underneath, there's curiosity and, for many, tension.

Radio Personality

For most of these suburbanites have just learned that a Ku Klux Klan worker, a man described by the Federal Bureau of Investigation as "an important official," lives in their midst.

More, he's a native son, a man for many years viewed as one of the community's most prosperous and most talented residents — a man who, as a boy, played the lead in his graduation class play at nearby Swarthmore High School and went on to become one of the nation's top radio personalities.

That's why one question keeps recurring in their conversations these days:

"Whatever got into Wally Butterworth?"

Hall of Fame

To adolescents, the name of Wally Butterworth may be meaningless.

But to others just a few years older, it awakens memories. Few Americans in the golden age of radio and the early days of television failed to be swayed by the now-dulcet, now - exuberant tones of Wally (Wallace H.) Butterworth, an announcer voted into broadcasting's Hall of Fame.

Butterworth, who lives in the Palmers Corner section of Wallingford, stepped out of the limelight some years ago.

But a few days ago he was

catapulted back into it when columnist Drew Pearson reported that the 64-year-old, bespectacled ex-announcer, as public relations man for the United Ku Klux Klan, had rented a Swarthmore post office box to enlist support for the hooded order.

Among Hate Groups

Reported Pearson:

"Butterworth has an excellent speaking voice, and does quite a business in recording anti-Jewish and anti-Negro tapes which are circulated among hate groups. He frequently calls upon whites to protect their way of life by violence."

In an interview with a Bulletin reporter, Butterworth said he did public relations work for the United Klans.

As he told it, he was born Oct. 25, 1901, in a bedroom one flight up from the living room in the three-story, white stucco home in which the interview was held. His family has occupied that dwelling, set on a large, well-landscaped lot, since before the turn of the century.

His father, John F. Butterworth, was a manufacturer; his mother was a gifted singer, from whom he inherited a musical talent and who, at the time of her death, was listed as the oldest living graduate of the University of Pennsylvania.

In June, 1920, Butterworth was graduated from Swarthmore High School, president of the class of 23 boys and girls, a member of the track and baseball teams and leading man in the senior play, "It Pays to Advertise."

Budding Impresario

From childhood, his major interest had been music, especially opera. At 12, he sold shoes in a Chester department store to earn money to buy operatic records and season tickets to performances of the Metropolitan Opera Company here.

After high school graduation—he never received a college diploma—he sold records for Frank Tillin, Inc., in Chester, and studied recording at the old Victor Talking Machine Co. in Camden.

On the side, he became a budding impresario: he sponsored an appearance of operatic star Giovanni Martinelli in Chester which grossed \$1,600—and netted him \$20. But it also, on the asset side, won him Martinelli's friendship.

He studied voice under Pasquale Amato, also of the Met, memorizing the complete scores of seven operas—in part with the help of an Italian dictionary which he bought to help with difficult pronunciations.

Hitting It Big

Meanwhile, he continued to work.

He sold Atwater Kent radios, was employed by the Motor Parts Co. here, then switched to Carl Wilkening, a radio dealer, as a salesman and aerial installer. Meanwhile, his dream of "hitting it big" in radio kept growing.

A retired executive of a Philadelphia radio station still recalls the day in 1929 when Butterworth, then a brash, self-confident young man, walked into his office and asked for a job. Inexperienced, he announced:

"I'm as good as, or better than, any announcer you have on your staff."

The executive suggested that, if he was that good, he should be working for a network in New York. Butterworth took him at his word, with one detour for confirmation.

He learned that the late Graham McNamee, then one of the biggest names in radio in a day when announcers were as highly promoted as the shows' stars, was visiting in Lancaster. Butterworth hurried over to see him.

\$65 a Week

McNamee's advice was the same as the Philadelphia executive's—go to New York.

National Broadcasting Co. hired him as an announcer.

The pay: \$65 a week. His job with Wilkening paid \$100 and, eventually, would go to \$150. But he decided to make the switch. Wilkening promised, if things didn't work out in New York, to take him back.

Things did work out in New York.

His voice had a quality listeners loved. Quickly he rose to announce such shows as Roxy and his Gang, Phil Cook and many more. He was switched to Chicago where, for two years, he announced the Chicago Civic Opera Co. and an array of midwestern shows.

In 1932, he was the anchor man for NBC at both the Democratic and Republican national conventions.

'Silver-Toned'

Going into newscasting, he announced a radio newsreel for 23 stations. He scored with a number of scoops and innovations. NBC officials hailed him as a man of outstanding talent, a leading personality of the network.

Nicknamed "the voice with the smile," he conducted a nationwide Rise and Shine program, forerunner of today's early morning shows. He married a socially-prominent Montreal girl of French-Canadian extraction and, in time, they became parents of a son, Wally.

His biggest successes came in two radio fields.

First, he was a top-name sports announcer.

Secondly, he became co-host with Parks Johnson of the Vox Pop show, one of the leading attention-getters of radio in the late 1930's.

At the Top

At that time, his salary ran around \$50,000 a year. He stood near the top of his profession.

After World War II, as television began to elbow radio aside, Butterworth returned to Philadelphia to handle the Campus Quiz show.

The show clicked. He topped it, switching to the American Broadcasting Co., with another called Meet the Champ, a boxing program which toured the nation's armed service installations.

All but Two

"In the 1950s," he told a Bulletin reporter, "the Jews took control of the major broadcasting systems. They owned all but two of the shows and it was impossible to get work unless you cut them in."

He claims that in those years he came up with an idea for a show which could be packaged for \$15,000. An ad agency and a network were interested. But, he charges, an executive told him to increase his price to \$18,000, the additional \$3,000 to represent a "kickback."

"You know, they do that in that business and they're doing it today. Well, that soured me. I'd had it before, and I'd had enough of it. I told this executive to go — —. I walked out."

Butterworth says about this time he "made the rounds of the night clubs and eventually joined Alcoholics Anonymous."

Not Broke

How did he support himself? Butterworth drew himself up proudly, waved his finger, and replied, "I was not broke."

An FBI spokesman in Washington said that around 1960 Butterworth went South and began an association with the United Klans.

The fact that Butterworth had rented Swarthmore Post Office Box 33 came to light, it was reported, because he made a radio talk in which he asked listeners to write to him there for what he terms a news letter.

Butterworth today is a silver-gray-haired man who wears shell-topped eyeglasses; clean-shaven, immaculate, a cigar smoker, with a voice still commanding attention.

'Why Not?'

During the interview he admitted working for the United Klans, but said, he received

only expenses—and room and board at KKK attorney James Venable's home—instead of salary.

Enthusiastically, he told of publicizing damage he claimed civil rights workers did to an Atlanta restaurant.

"Why not?" he asked. "You wouldn't want that done to your business if you owned one, would you?"

He charged that when he first went South three years ago to work for an Alabama radio station he was fired because Pearson and others

trumped up a "drinking charge" against him.

Once, pointing his finger, he said: "Minorities are running things today. They elected Johnson, didn't they? They're getting to control everything. The Jews control everything. I know it; I saw it close up in my profession."

"Do you want this to be a white man's America, brother? If you do, do something about it."

A Robe?

He continued: "The Jews control business. How about the Federal Reserve? The Constitution says only the government can coin money. Who does this today in America? The Federal Reserve, which has no right under the Constitution. That's something people should think about."

Asked if he ever wore a KKK robe, Butterworth replied:

"That's none of your damned business. Why don't you ask Chief Justice Earl Warren if he ever wore the robe? Or

Justice Hugo Black? Or ex-president Truman?"

He confirmed the FBI statement that he began his Klan association about three years ago, saying he did so, not for money, but out of principles in which he believes.

A Final Point

Told that some were asking "whatever got into" him, he replied:

"Nothing got into me. I found out what's going on with the Jews. And look what the Negroes did—600 fires out on the coast (in the riots in the Watts section of Los Angeles). The white people in this country had better start safeguarding their rights."

Butterworth said that he returned to this area for medical treatment and plans to return South as soon as this is completed.

Offices have had very good coverage of this activity since [] and others as well as [] have played leading roles in the Klan in this area. These informants have furnished a considerable amount of information about Klan membership, plans, finances, and the like; however, they state that BUTTERWORTH is not known to them to have been connected with the Klan in this area.

It appears logical that with this resurgence of Klan activity if the subject continued to be a leader or even an active member, this fact would have been made available to this office through one or both of these informants.

From a review of the records put out by the subject, there is little doubt as to his very strong anti-Negro and anti-Jewish feelings. Due, however, to the lack of information indicating that subject continues to be an active Klan member, no further action is being taken in this matter at this time.

b7D

During October 1965, PH T-2 advised that JAMES R. VENABLE, Imperial Wizard of National Knights of the Ku Klux Klan, Inc., [REDACTED]

[REDACTED] HERBERT WALLACE BUTTERWORTH:

VENABLE first met BUTTERWORTH when the latter was publisher or assistant publisher of the newspaper "The Fiery Cross", a publication of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA, KKKK).

A characterization of the UKA appears in the Appendix of this report.

VENABLE did not indicate the time of this first meeting.

VENABLE stated that BUTTERWORTH may have attended one or two meetings of the Imperial Board of United Klans of America, Inc., Knights of the Ku Klux Klan. BUTTERWORTH left the United Klans of America, Inc., because they did not have the money to publish "The Fiery Cross" and could not pay BUTTERWORTH any longer.

VENABLE stated that it was his understanding that BUTTERWORTH was a paid employee of the United Klans of America, Inc., but received only enough money to cover his room and board.

VENABLE described BUTTERWORTH as a former broadcaster for the National Broadcasting Company who had worked for them for a number of years. He said that BUTTERWORTH had made phonograph records for the Defensive Legion of Registered Americans, Inc., and that he, VENABLE, had been the President of this organization. He denied, however, that this organization had any connection whatsoever with United Klans of America, Inc. He said the purpose of the Defensive Legion was to make phonograph records and sell them. These records were narrated by BUTTERWORTH.

PH 157-546

VENABLE said the venture was a financial failure and that he lost money on the operation because he was financing it. He said he borrowed money to purchase the equipment for making the records and that the records were pressed by the Rite Record Company of Cincinnati, Ohio.

VENABLE stated that BUTTERWORTH made radio broadcasts under the auspices of the Defensive Legion of Registered Americans, Inc., on a radio station in DeKalb County, Ga., known as WGUN, but that after three or four broadcasts, the radio station canceled BUTTERWORTH's contract because of his bitterness in regard to the subject matter of the broadcasts.

VENABLE stated that the Christian Voters and Buyers League was a trade name used to market phonograph records by BUTTERWORTH. BUTTERWORTH was the Secretary of this organization and VENABLE was the President and Treasurer. This organization also distributed literature as well as phonograph records.

VENABLE stated that he has had no contact with BUTTERWORTH for a year at that time but it was his understanding that BUTTERWORTH left Atlanta and went to Alabama and thereafter went to live with a sister near Philadelphia, Pa.

The November 9, 1965, issue of "The Evening Bulletin", a daily newspaper of Philadelphia, Pa., on page 66 of the two star final, carried an article entitled "Wallingford's Silver Voice of Radio Tells of Gravitating to Klan". This article, which sets out biographical information on BUTTERWORTH, is as follows:

PH 157-546

On November 16, 1965, PH T-3 advised [REDACTED]

[REDACTED] HERBERT WALLACE

BUTTERWORTH, P. O. Box 33, Swarthmore, Pa. [REDACTED]
[REDACTED]

1. A reprint from the "Morning Post", London, England, September 6, 1920, entitled, "World Unrest. A Jewish Manifesto of 1860".

2. A letter addressed to "Dear Subscribers and Friends", in which BUTTERWORTH offers to mail copies of the below described phonograph record to police chiefs and sheriffs.

3. A two-page mimeographed document entitled, "Open Answer to Smear of Drew Pearson - Column of October 19, 1965". In this document BUTTERWORTH sets out considerable autobiographical data.

4. A phonograph record; side one, entitled "Jewish Hatred of Christians from Their Own Secret Writings" and the other side entitled, "Role of Race Riots in Plan For World Government, Led by LBJ."

It is noted that on the record labeled "Role of Race Riots in Plan for World Government, Led by LBJ", which is narrated by BUTTERWORTH, he states that his message in that record is addressed to every "white, christian American". BUTTERWORTH states that MARTIN LUTHER KING and LYNDON B. JOHNSON are "almost totally responsible" for the racial riots in this country. He described KING as a "dirty Communist nigger" who is being portrayed by the "Communist press" as a hero for his part in the Selma, Ala., march and his constant threats of additional racial riots.

BUTTERWORTH said the President of the United States has made the Democratic Party the "Negro party" since all legislation he has backed since he has been in office has been directed at draining money from "white, Christian Americans" into the Negro community. He stated that LBJ is the "vote hungry" president of the Negroes and Jews and not the President of the "white, Christian Americans".

PH 157-546.

BUTTERWORTH said the job of putting down the "Negro communist riots" is the responsibility of the white citizens with the backing of their local police departments.

The reverse side of this same record bears the label, "Jewish Hatred of Christians From Their Own Secret Writings", and is also narrated by BUTTERWORTH.

In this record, BUTTERWORTH states that the age old conspiracy of the Jewish money power is to bind every nation into captivity and destroy Christianity. He alleges this has been carried out through skillfully planned wars.

BUTTERWORTH directs his comments in this record to the "white, Christian American" and he described this group as the only foe of the Jewish scheme to subjugate the entire United States. He claims that the racial tension in this country is fostered by the Jews to give the white Christian Americans an inferiority complex.

BUTTERWORTH notes that a large amount of Jewish writing in the past has called for a destruction of the "natural equality of man" and that the same teaching is carried out in the Jewish synagogues today where the same hatred of Christianity is taught. He noted that the Hebrew word "goy", which means cattle, is the word that is used in ancient Hebrew writings when describing the Christians and this same word appears in the Jewish teachings today to point out that the Christians were created for the sole purpose of ministering to the Jews.

On December 9, 1965, [redacted]
[redacted], Massachusetts Mutual Life Insurance Company, Jackson, Miss., advised that he became aware that WALLY BUTTERWORTH, P.O. Box 33, Swarthmore, Pa., had mailed anti-Negro and anti-Jewish hate type literature to [redacted] formerly [redacted].

b6
b7c

[redacted] stated that with this literature was a phonograph record, side one being entitled "Jewish Hatred of Christians from Their Own Secret Writings" and side two entitled "Role of Race Riots in Plan For World Government, Led by LBJ."

PH 157-546

During February 1966, Chief ED. OHDA, Sterling, Ill., Police Department, advised he had received from WALLY BUTTERWORTH, P.O. Box 33, Swarthmore, Pa., several leaflets which were anti-Negro and anti-Jewish. Also he received from BUTTERWORTH a phonograph record; side one of this record is entitled "Jewish Hatred of Christians From Their Own Secret Writings". The reverse side is entitled, "Role of Race Riots in Plan For World Government, Led by LBJ."

On June 9, 1966, PH T-1 stated [REDACTED]

PH T-1 also advised that BUTTERWORTH

#35 and record #13000. Informant stated

BUTTERWORTH. BUTTERWORTH

that he

informant.

It is noted that in the record #35, which is labeled "Indecent, Untruthful Textbooks in Schools; U. S. Government Takeover in Education" and narrated by WALLY BUTTERWORTH, BUTTERWORTH states that in 12 years of education the children of this country can be turned into Communists. He noted that the Daughters of the American Revolution in Alabama have exposed a number of books used in the public school systems in this country in that the books extol Communist Party members, advocate sexual freedom and socialism, distort U. S. and U. N. history, and advocate disarmament of the American people....

BUTTERWORTH related that the move to take guns away from the citizens of the United States followed the pattern in a number of history textbooks wherein the U. S. Constitution is printed excluding the 2nd Article relating to the right of citizens to bear arms. BUTTERWORTH said the solution of this

PH 157-546.

situation is for the citizens to demand of their local school boards and school principals that these type books be thrown out of their schools.

In record #13000, which is labeled "U. S. Mails -- Tampering and Destruction -- Who but Employees?; TV-Radio Network Broadcasting -- Jewish 'One Church' Monopoly", BUTTERWORTH stated that the freedom and privacy of the "white Christian society" has been abridged by mail tampering and the destruction of the mails under the direction of the Postmaster General. He stated the Jews are responsible for all of this for they have influenced all top level post office appointments in their efforts to identify segregationists and "right wing loyalists".

BUTTERWORTH stated that the major television networks in this country are controlled by Jews and that 93% of all writers and producers of network television and radio programs are Jews. He said that in 1892 the Congress declared that the United States was a Christian nation; however, today Congress licenses the television and radio networks to bring into American homes the "one church" controlled "anti-Christ" ideas.

b7D

On April 12, 1966, PH T-3 advised [redacted] WALLY BUTTERWORTH, P. O. Box 33, Swarthmore, Pa., a phonograph record, side one of which is entitled "The Viet Nam War and State of the Union -- What a Mess!" The reverse side of this record is entitled "The John Birch Society Cunning Deception for Conservatives".

MISCELLANEOUS

On May 9, 1966, PH T-4 advised that BUTTERWORTH was not known to him and he has not been active in the Klan in Pennsylvania or the surrounding area. Informant noted that the Klan has sponsored a number of rallies and meetings in Pennsylvania, Delaware, New Jersey and Maryland during the past year and BUTTERWORTH was not in attendance at any of these affairs and his name was never mentioned as being a sympathizer or otherwise being connected with the Klan.

PH 157-546.

On June 30, 1966, PH T-5 advised that BUTTERWORTH was not known to him and he could furnish no information about him.

It is noted that PH T-4 and PH T-5 are familiar with some Klan activity and Klan members in the Eastern Pennsylvania area.

CHARACTERIZATION OF ORGANIZATIONUNITED KLANS OF AMERICA, INC.,
KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961 at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is directed by Robert Shelton, Imperial Wizard and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U. S. Klans, Knights of the Ku Klux Klan merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Dec. 15, 1967.

Dear Sir: Here is a great laugh!

The Canadian Parliament has just passed either the most idiotic or the most sensible law in history. For the next 5 years, Capital punishment can only apply if you kill a Canadian cop or prison guard. Don't know much about prison guards, but all the cops I've met there are swell guys and who would want to murder a Canadian Royal Mountie? Their uniforms are so gorgeous!!!

But just think! It's actually "open season" on every Jew in Canada, plus Lester Pearson the CRR traitor. I predict that Canada will sell 50,000 additional hunting licenses in the coming year and there's no limit on the number of kikes a hunter can "bag" in a single day.

I'll get a team of at least 50 hunters down San Diego way. You may use this letter.

Sincerely,

Wally Butterworth

Send this new record on the Israel-Arab plunder to your traitor Congressman. Kill every Senator & Representative & Governor who doesn't notify you AT ONCE that he will impose total outlawry against Israel. Wipe every jew & Democrat from public office. Our records this next year will save the Nation. Please help with your most liberal contribution for widest circulation. They will NOT be heard over Jewish TV-Radio with few exceptions. With every Republican Candidate being a member of the treasonous COUNCIL ON FOREIGN RELATIONS, prepare 1 million telegrams and letters for the Republican Convention - "Unless you nominate RONALD REAGAN, we will vote to keep Lyndon Johnson rather than a millionaire banker crook. The Holiest shrines of Christianity and Islam have been wrecked by Schweinhunde Jews of Israel. The filthy LBJ gave these jews tons of napalm to roast women and children. Go Get 'em! Help us to do the trick. WALLY. Gee!! I just proof read this sheet. When I say KILL these Democratic & Jewish political crooks, I mean at the ballot box, of course. W.B.

We have less than ONE YEAR, until the 1968 elections, hanging in the verdict of life or death for the United States. A victorious Revolution at the ballot box is America's last chance to throw every political crook in the nation out of office at National, State and Local levels.

Our country is dead broke. Our money isn't worth the paper it's printed on. There is no let-up in hog-wild spending, in interminable Wars and in the giving away of our entire substance to foreign bohunks all over the world. At the risk of offending my own subscribers, I tell you fearlessly that every damned Democrat in this nation must be thrown out of office and into the gutter in 1968.

From 1917-1968, exactly 50 years, every WAR saddled on us has been a Democratic Party War. In those 50 years, our national debt has climbed from 2 billion dollars to 400 billions. None but Democrats are responsible, for Republicans have only controlled Congress for 4 out of the last 36 years - two under Truman and two under that phoney "modern Republican" Eisenhower. See your Almanac under Speakers of the House and the rest of these facts. Democrats are responsible for every dime of Income Tax and all other taxes. They live on a war economy and theft of billions of the public money. Democrats have confirmed every anti-Christ jew into office. Today 48 jews are Lyndon Johnson's "advisers", I mean masters.

FORGET ALL THIRD PARTIES!! That's just what Democrats want, to siphon off the Conservative votes from Republicans and assure Johnson's re-election. There aren't 5000 conservative votes in the whole Democratic Party. If there are 10, then let them quit these traitors and join Republicans, as Sen. Strom Thurmond did. He can be elected on any ticket. But the greatest man in America cannot defeat the vile machines of Repubs or Democrats. So instead of playing one against the other, let's kill off the worst of the two. You can reform the Repubs by kicking out 30 traitors. You cannot reform Democrats by eliminating 30,000. George Wallace of Alabama is the shadiest character living.

He increased Federal Handouts to Alabama from \$12 millions a year to \$32 millions by twice defeating the Civil Rights Act in Alabama and refusing to allow the Senate to vote on it after it had twice passed the Ala. House. I saw it first hand and have the Legislature Calendar to prove it. Wallace's only objective is the capture of the Electoral Votes of the Southern States which refused to vote for Johnson in 1964. Those, plus whatever he may capture in the North will assure Johnson's victory. His reward will be any office he names in Washington.

This matter is the subject of my next recording. Please, dear friends, if you care a rap about your country, then support me. We must get wide circulation on this message. Consider this your campaign contribution. We are not in the business of selling records. We are in the business of recapturing this glorious country from the hands of traitors. We'll mail them out. You give us the names. Any political Party which uses blackmail, crooked judges, bought banker members of our Congress to destroy the power of our 50 Sovereign States, isn't fit to lead a nation of free men and women. Let's first kill off every Democrat and then kick out every Jake Javitz, Nelson Rockefeller, George Romney and every man associated in any way with the banker, traitor Council On Foreign Relations. But let us first complete the 1966 start we have made, so that never again will a decent American dare to seek public office under the hated banner of a Democrat. I meant to include Pipsqueak Charles Percy with the other Repubs. Ronald Reagan is the man. Be ready with one million letters and telegrams for the Repub Convention. Tel. them you'll keep Johnson if they nominate a banker crook. Help us, with your check.

JOHN G. CROMMELIN
Candidate for Lieutenant Governor

Campaign Headquarters
Hartford Springs — P. O. Box 433
Wetumpka, Alabama

September 28, 1976

Fellow Americans:

Alabama voters signed petitions, placing my name on the ballot as an Independent candidate for Lieut. Governor. The General Election is only five weeks away. You patriots to whom this letter is addressed know as well as I that the financial, political, diplomatic and moral situation in our country is at a dangerously lowebb. At long last the man in the street from Maine to Alabama and Florida to California is beginning to say to his neighbor "Aint it awful." It is awful! Every intelligent citizen should ignore all political party affiliations and vote for the man.

The edicts of local federal judges requiring busing of schoolchildren in violation of the Civil Rights Act of 1964 and in violation of the U.S. Constitution are flagrant examples of federal anarchy. The crushing burden of outrageous taxation coupled with inflation and the debasement of our money is robbing the people of their substance. The prosecution of an undeclared and prolonged United Nations war in Viet Nam linked with the United States involvement in the Middle East is a matter of deadly concern to every mother and father with a son from one to twenty-six years of age.

As a candidate for Lieut. Governor I am telling the people that they have been conditioned by the propaganda media to underestimate their own power as guaranteed by the Constitution of the United States. We the people working together can eliminate the tyranny that is fast enslaving us.

During the past twenty years I have staged 56 T-V political programs from 15 to 30 minutes duration and have made hundreds of radio speeches. I have distributed hand to hand an estimated million pieces of political and patriotic literature. I have informed the people of Alabama just who the conspirators are and why we are losing our country. During all of this campaigning, so far as I know, not a single soul has publicly challenged my statement I ever made. I have made some very strong statements as thousands of you who have received copies of my signed political platforms can testify.

I was a naval aviator in the aircraft carriers in the Pacific during twelve major engagements in World War I. I learned that there is no such thing as "combat fatigue". So called "combat fatigue" is in reality "non-combat fatigue". The men who really fought become stronger and stronger with each clash with the enemy whereas the men who shirked their duty were the so-called "combat fatigue" casualties.

Is the silent majority suffering from "non-combat fatigue"? It's high time the White Christian men and WOMEN of these great United States donned the armor of the U. S. Constitution, took up the sword of righteousness and demanded that their servants in public office "support and defend" the Constitution from all enemies foreign and domestic or suffer such punishment as the people may adjudge.

The cost of political campaigning is skyrocketing. I need your help. I can guarantee that I am not suffering from "non-combat fatigue". "Praise the Lord and pass (me) the ammunition (funds) and we'll all be free."

Alabama has the political potential to lead this nation out of the wilderness. The election is November 3rd. Let's get with it NOW.

Sincerely,

NOTE: When you have read this and mailed the enclosed postage paid envelope as I hope you will, please pass this letter on to your best friend.

Candidate for Lieutenant Governor

S.

Remember Rabbi Stephen S. Wise, President of the World Jewish Congress, publicly stated in 1935, "Some call it Marxism (Communism)—I call it Judaism (the Jewish Religion)". The rabbi has told us "Communism is the Jewish Religion."

J. G. C.

(Paid Pol. Adv. by John G. Crommelin, Wetumpka, Ala.)

Dear Subscribers and Friends:

We have just returned from Alabama, where our dear Patriot friend Admiral John Crommelin is on the ballot for Lt. Governor. While there, we mapped out a State-wide Radio campaign of 3-15 min. programs per week over 10 stations.

Smashing the anarchy of Federal Judges in the busing of our children in violation of the Civil Rights Act; legislating against draft of our sons in all undeclared wars; and enormous taxation which is driving us all to the Poorhouse are only 3 of the major issues that Adm. Crommelin is pledged to destroy. We are already engaged in a new war for Israel, and War Monger Nixon has joined a traitor Congress in the theft of our sacred Post Office by a gang of private Lews.

Send Admiral Crommelin your check. As second highest Executive Officer in the State, he will preside over the Alabama Senate, to steer all laws which every State will copy. He is a wonderful Christian gentleman, who still fights like he used to as a Middleweight at the Naval Academy, and as he did in downing Jap Kamikazi (suicide) planes when he ran the Air Wing in the Carrier "Big E" - The Enterprise.

Put him on the air over ONE Station. Prices in Ala. run from \$15 to \$40 per program. With sufficient funds for Radio-TV, the Admiral can defeat the entrenched political machine, regardless of Party.

We will either totally overthrow these World Government traitors this November and in 1972, or, I predict that we will know killings in open revolution of the American people. Let's fight now. The Jew doesn't know it, but we cannot fail, for Christ is on our side. He will give us another **ANDY JACKSON** to lead us to victory. Thank you, dear friends.
